* - *The computer in the air studio is equipped with AOL Instant Messenger. DJs may opt to create an account on AOL Instant Messenger (specific to their radio show) to provide another means of having people communicate with them during their show. WSAM advises DJs who chose to use AOL Instant Messenger during their show do not use their personal account or do not advertise their personal account on the air.*

** - *We reserve the right to edit your show descriptions and teasers for content, grammar, & other stuff.*
